

The graph displays the daily count of COVID-19 cases (blue dots) and deaths (red dots) in Mexico. The x-axis represents dates from February 26 to March 30, 2020. The y-axis represents the number of cases and deaths, with horizontal grid lines indicating intervals. The 'Casos' series shows a sharp upward trend starting around March 10, reaching approximately 100 cases by March 30. The 'Mortes' series shows a much lower but increasing trend, reaching approximately 10 deaths by March 30.
